EDUCATION

Texas A&M University, Mays Business School

Master of Business Administration

College Station, Tx

August 2027

Texas A&M University, College of Engineering

Bachelor of Mechanical Engineering, Minor in Petroleum Engineering

GPA: 3.42/4.00

College Station, Tx

May 2026

EXPERIENCE

BP America

Houston, Tx

Wells Engineering Intern, Drilling

May 2026 – July 2026

- Developed an A.I. Agent to consolidate data and recommend usage for a specialized drilling tool, resulting in predicted six figure cost savings for the company.
- Participated in multiple well planning meetings to understand how engineering design decisions support efficient drilling projects and add business value to the company portfolio.
- Collaborated with more than 25 engineers in various disciplines including drilling, completions, operations, and subject matter experts to integrate technical expertise and support project execution.

Valaris Limited

Houston, Tx

Roustabout/Roughneck Intern, DS-18 GOA

May 2025 – July 2025

- Gained knowledge of hands on offshore drilling experience, broadening my operational perspective.
- Performed duties of a roustabout, such as rigging up/rigging down loads connected to a crane, landing loads with the use of a tagline, and engaged in general housekeeping activities on the rig.
- Continued to extend my industry network, developing relationships with experienced rig personnel.

Patterson Drilling Company

Houston, Tx

Roughneck Intern, Rig 298 Permian

May 2024 – August 2024

- Evaluated ways to improve rig operations to increase profitability and efficiency for the company.
- Performed daily tasks of a floor hand, such as making/breaking connections, tripping drill pipe, and cleaning the rig floor, giving me appreciation of what it takes to economically drill wells.
- Gained insight into rig operations from a drilling contractor employee perspective.

LEADERSHIP & INVOLVEMENT

Texas A&M Bass Fishing Team

College Station, Tx

President

March 2023 – March 2024

- Guided team through all affairs and organized team functions (Sponsors, Funding, Tournaments).
- Delegated tasks to other officers to help administer successful policy.

Texas A&M Bass Fishing Team

College Station, Tx

Treasurer

March 2022 – March 2023

- Budgeted funds over the year to ensure the team had sufficient funding.
- Allocated funds for specific tournaments to alleviate travel costs for the team.
