EXPERIENCE

ALCON

Global Transportation Analyst, Internship

Fort Worth, Texas
May 2024 – August 2024

- Consolidated and optimized global shipping lanes, resulting in annual cost savings of \$250,000+
- Investigated and executed a sustainable and efficient system for corrugated shipping solution, driving annual material cost savings of \$200,000, coupled with 66% in additional labor savings
- Crafted resources to update and visualize shipping data automatically, driving greater efficiency in preparing shipping documents, while also leading to incremental labor savings
- Negotiated rates and resolved logistical challenges with carriers, reducing transportation costs and lead time for customers

ALCON

Global Transportation Analyst, Internship

Fort Worth, Texas
May 2023 – August 2023

- Established analytic transportation/distribution system providing greater visibility and insights into global transportation operations
- Communicated with suppliers on contract development and assorted shipping solutions, improving transportation efficiency and reducing logistical costs
