## EDUCATION

**Texas A&M University, Mays Business School**

*Master of Business Administration*

College Station, TX

August 2026

**Texas A&M University, College of Engineering**

*Bachelor of Science in Mechanical Engineering*

College Station, TX

May 2025

## EXPERIENCE

**Formentera Operations**

Austin, TX

*Production Engineering Intern*

May 2025 – July 2025

- Created and implemented new well failure tracking system getting approval from production department
- Designed well failure analysis tool using Power BI that improved data accessibility saving ~\$50k per year on software, presented results to field personnel and tool now is referenced weekly for production meetings
- Developed calculator that uses live well conditions to determine optimal injection rate, can be applied to all gas lift wells across company to increase production and decrease injection costs
- Created well spacing diagrams to support reservoir team of 3, analyzing strategy for layout, target formations, and fracking methods

**Kiewit Corporation**

Fort Lauderdale, FL

*Field/Office Engineering Intern*

June 2024 – August 2024

- Oversaw pipe procurement processes, communicating with external vendors and performing cost analysis
- Surveyed 100+ pipe installations while contributing to layout and alignment of infrastructure
- Managed team of 40 craftsmen, ensuring project milestones were met on time and within budget

**Hejl, Lee & Associates, Inc**

Hutto, TX

*Engineering Intern*

May 2023 – August 2023

- Collaborated with mayors, judges, and administrators to oversee bid process of multi-million dollar projects
- Designed proposed sidewalks, waterlines, and utility trenches with AutoCad optimizing allotted grant money

**TBarM Camps & Retreats**

Midland, TX

*Operations Coordinator/Leadership*

May 2022 – August 2022

- Supervised daily activities for inaugural Midland camp consisting of approximately 120 campers and 25 counselors in addition to coordinating logistics with leadership team to ensure smooth camp operations

## LEADERSHIP & INVOLVEMENT

**Beta Upsilon Chi Fraternity - Gamma Chapter**

College Station, TX

*Island Party Logistics Executive*

September 2024 – March 2025

- Managed \$100,000+ budget, coordinating with 4 bands, 5 vendors, and venue staff to deliver philanthropy event that attracted 1500+ attendees, reduced sound production costs by 34% (\$38k to \$25k)

**Impact Retreat**

College Station, TX

*Co-Chair*

October 2022 – December 2024

- Led weekly meetings to prepare 10 counselors for retreat dedicated to welcoming incoming students
- Facilitated weekly leadership development meetings and evaluation with peers
