EXPERIENCE

Quiddity Engineering LLC

Project Controls Intern

Bellaire, Texas

January 2026 – August 2026

- Led intern project accounting operations across 500+ engineering projects by developing systems for project budgeting, schedule monitoring, and risk mitigation resulting in \$190M in projected net revenue annually
- Reduced weekly financial reporting lead time by 40% with integration of system automation improvements utilized by senior leadership to forecast annual revenue reports and project management staff evaluation
- Managed \$5M in project change orders by evaluating financial and schedule impacts and coordinating with 20+ project managers to maintain accurate forecasts and budgets

Halliburton Co.

Supply Chain Management (SCMP) Intern

Lafayette, Louisiana

May 2025 – August 2025

- Constructed automated data directories to aid in effort allocation and quality assurance resulting in labor burn rate cost reductions of \$165,000 and reutilization of 950 productive hours annually
- Led a ten-employee safety task force through weekly meetings to identify and mitigate high-risk drop opportunities, resulting in three safety risks identified and 72 hazards mitigated across warehouse operations
- Leveraged project learnings to collaborate with three cross-functional Halliburton teams across global operations, presenting recommendations that informed process improvement initiatives

LEADERSHIP & INVOLVEMENT

1879 Society Ambassadors – The Association of Former Students

Vice President

College Station, Texas

August 2024 – Present

- Oversee operations of eight leadership personnel and 75 student leaders across Texas A&M University resulting in 250 volunteer service hours, over 90 philanthropic service events, and \$120M in total fundraising
- Facilitated weekly leadership meetings, ensuring project coordination amongst team members and staff
- Constructed automated task tracking system used by organization, decreasing missed tasks by 50%

Citizenship and Service Committee of Texas A&M

Student Leader Personnel

College Station, Texas

August 2024 – December 2025

- Appointed by university leadership to a 16-member committee dedicated to strengthening Texas A&M as a global leader in civic duty and equipping students as future leaders within their communities
- Led 2025 Texas A&M Presidential Summit, presenting solutions to university and state leadership that increased student service opportunities by 20% over the last 5 years
