832-683-9345 | anthony.bruins@tamu.edu | [www.linkedin.com/in/anthonybruins2](https://www.linkedin.com/in/anthonybruins2)

## EDUCATION

### Texas A&M University, Mays Business School

*Master of Business Administration*

College Station, Texas

August 2027

### Texas A&M University, College of Engineering

*Bachelor of Science in Industrial Engineering*

*Minors: Engineering Project Management and Mathematics*

College Station, Texas

May 2026

## EXPERIENCE

### The Spot on Northgate

*Bartender*

College Station, Texas

June 2025 – Present

- Delivered efficient, personalized service in a high-volume environment while managing 200+ customer orders and maintaining a positive guest experience.
- Processed 200+ cash and electronic transactions per shift with consistent accuracy while maintaining alcohol-service compliance in a high-volume bar environment, increasing sales by 20% due to overall efficiency and upselling.

### Tetra Tech

*Civil Engineering Intern, Water Resources Group*

Houston, Texas

May 2024 – August 2024

- Validated construction cost estimates of up to \$61M by auditing calculations and reconciling estimates against project specifications, strengthening financial accuracy and reducing cost-estimation risk.
- Verified independent quantities for Opinion of Probable Construction Cost Estimates on complex asphalt and water line projects, mitigating risks of budget overruns and project delays.
- Reviewed 50+ prime contractor submittals for compliance with project specifications and deadlines, resolving documentation discrepancies to support on-time approvals.

### Animal Intelligence Agency (AIA), LLC

*Project Leader*

Hockley, Texas

January 2017 – August 2021

- Led construction coordination for a \$350K animal training facility, serving as primary liaison among contractors, vendors, and internal stakeholders to support successful project execution.
- Identified project challenges and adjusted plans to overcome obstacles, supporting successful completion of project objectives and delivering a built facility by August 2021.

## LEADERSHIP & INVOLVEMENT

### Pi Kappa Alpha Fraternity (PIKE)

*Vice President*

College Station, Texas

January 2025 – December 2025

- Managed more than \$800,000 in organizational budget and oversaw fund allocation, expense tracking, and financial accountability to support chapter priorities and long-term sustainability.
- Led chapter operations and executive board coordination within a 250-person chapter, resulting in increased events and improved overall membership metrics.
- Represented the chapter with university officials, alumni, vendors, and national leadership, resolving operational issues and strengthening key stakeholder relationships as the largest chapter in the nation.

### TAMU Career Closet

*Clothing Distributor*

College Station, Texas

August 2024 – August 2025

- Supported 600+ college students by distributing donated professional attire for interviews and career fairs.
- Promoted business professional attire across Texas A&M University's 85,000+ student community through targeted campus marketing, reaching over 20,000 students and generating over 30,000 engagements.
