EDUCATION

Texas A&M University, Mays Business School

Master of Business Administration

College Station, Texas

May 2027

Available to begin full-time: June 2027

Texas A&M University

Bachelor of Science in Multidisciplinary Engineering (Mechatronics)

Minor of Embedded Systems Integration

College Station, Texas

December 2025

EXPERIENCE

Armory Disc Golf

Shop Associate

College Station, Texas

April 2026 – August 2026

- Educated customers on disc golf products and flight characteristics, fostering a welcoming environment that encouraged repeat business and customer loyalty.
- Streamlined picking, quality checking, and dispatch procedures, reducing order turnaround times and improving daily throughput packing up to 100 orders a day.

Tether

Engineering Aide

College Station, Texas

May 2025 – August 2025

- Spearheaded independent R&D projects from conception to production, delivering custom components that enabled rapid prototyping and the streamlining of testing procedures.
- Designed and prototyped custom printed circuit boards (PCBs), applying advanced embedded systems knowledge creating up to 20 custom boards.
- Executed rigorous testing protocols and data logging procedures to validate experimental designs and ensure component reliability.

HEB

Customer Service/Perishables Representative

Brenham/College Station, Texas

August 2020 – April 2024

- Advised roughly 2,600 customers a day with product selection, leveraging product knowledge to ensure their needs were met and enhancing the overall customer experience.
- Resolved customer inquiries, concerns, and processed product returns, balancing customer satisfaction with company policies and regulations.
- Partnered with department managers to improve product displays and optimize inventory management processes, leading to a reduction of waste and ensured freshness of goods.

LEADERSHIP & INVOLVEMENT

Grace Bible Church

Bible Study Leader

College Station, Texas

August 2023 – May 2025

- Collaborated with various church staff to plan and lead in-depth studies through the Bible.
- Facilitated group discussions and a welcoming environment for up to 30 college-aged students.

Boy Scouts of America

Eagle Scout

Industry, Texas

August 2014– January 2019

- Led various Scouts aged 11 to 16 in life skills, outdoorsmanship, and leadership development.
- Proposed, planned and fundraised a pecan orchard revival for my Eagle Scout project in Brenham, Texas.
