EXPERIENCE

American Networks Austin, Texas
Founder & President August 2023 – Present*

- Direct end-to-end delivery of enterprise networking and AV infrastructure projects valued between \$50K–\$250K, managing client expectations, vendors, timelines, and technical execution
- Manage a portfolio of enterprise technology projects totaling over \$1 million annually, coordinating cross-functional teams and ensuring projects are delivered on schedule and within budget
- Advise clients on enterprise infrastructure modernization, lead the assessment, design, and implementation of scalable network solutions that improved operational resilience, cybersecurity, and business continuity
- Standardized deployment processes and technical documentation, improving implementation consistency and reducing post-installation troubleshooting times by over 50%

United States Army Fort Campbell, Kentucky
Infantry Team Leader September 2016 – July 2019

- Led, trained, and developed a four-soldier infantry team while maintaining accountability for over \$50,000 in equipment during high-tempo operations
- Developed and delivered tactical and leadership training for junior soldiers, ranging in class size from 2 to 4,000, improving operational readiness and professional development within the unit
- Directed tactical execution for 12 field missions with zero safety incidents

LEADERSHIP & INVOLVEMENT

United States Military Academy West Point, New York
Company Honor Officer August 2022 – May 2023

- Selected as Company Honor Officer to oversee ethics, accountability, and leadership development for 130 cadets, advising leadership on honor code investigations and professional conduct
- Conducted 5 fact-finding interviews and evidence reviews with 100% objectivity and zero procedural errors
