EDUCATION

Texas A&M University, Mays Business School
Master of Business Administration

College Station, Texas
August 2027

Texas A&M University
Bachelor of Science in Industrial Distribution
GPA: 3.54/4.0

College Station, Texas
May 2026

EXPERIENCE

Baker Hughes
Supply Chain Engineer, *Shipping and Receiving Department*

New Iberia, Louisiana
May 2026 – August 2026

- *Redefined* material lots and routes in 2 plants, with a projected decrease in site travel by 4000 miles/year
- *Programmed* Power Automate flow replacing analog material requisition process with SharePoint and scheduled reminder emails; leading to improved responsiveness and decreased material handling lead times
- *Structured* a new discrepancy filing system, ensuring specificity, automated prioritization, and swift response
- *Mapped* project data flows from design to delivery, surfacing data-format gaps and silos while initiating discussions that informed restructuring proposals and KPI development for 9-figure projects

Clarios
Operations Intern, *Shipping Department*

Saint Joseph, Missouri
May 2024 – August 2024

- *Designed and implemented* Vision Display productivity screens, yielding an annual 6-figure revenue boost
- *Optimized* production sensor counting to <1% error rate, reducing false-negatives scans by 90%
- *Established* AI sensor project, creating test cases to run before committing to a larger initiative

LEADERSHIP & INVOLVEMENT

Senior Design, Capstone Project
Project Facilitator, TMS South Supplier Stratification Databank

Houston, Texas
August 2025 – May 2026

- *Lead* sponsor meetings, created checkpoints and action items, and oversaw sheet updates to project completion
- *Compiled and centralized* over 2000 rows of purchasing contacts and product categories into one multipurpose Excel sheet, breaking information silos and decrease lead times
- *Devised* sheet with dynamic filters prepared for ERP integration and sales alternative comparison algorithm

TAMU BUILD
Construction (25) and Marketing (24,26) Superintendent

College Station, Texas
August 2023 – May 2026

- *Lead* site construction, power tool use, and collaborating with electricians, plumbers, and volunteers
- *Managed* social media, press releases, and promotions yielding 7,000 volunteers across 2 semesters

The Battalion
Photo Chief, Student Newspaper Staff

College Station, Texas
March 2025 – January 2026

- *Assembled and mentored* a team of 30 photographers with complementary skills, strengths, and experience
- *Delegated* assignments to photographers based on sensitivity, skill, interest, and growth opportunity
- *Coordinated* personnel, equipment, and credential logistics with staff, NCAA, TAMU, and political staffers
